

## Welcome to Wi-Fi Hotspot Internet Access

**PLEASE NOTE:**

Purchased time can be used to access the Internet at any participating [Wi-Fi hotspot location](#) in South Africa. Provided that you have not exceeded the on-line time purchased, you can use the remaining time by entering the username/password that is issued by this facility. It is therefore important to write down your username and password that will be issued after successful payment.

Please note that you will be billed by **JHB Mobile Internet Office** for this transaction.
